

# PABCO Prestige®

## Technical Data Sheet

If you want an upgraded traditional laminated shingle, choose PABCO Prestige®. A combination of a heavyweight, laminated shingle with select color choices, PABCO Prestige provides the options you need, backed by an industry leading warranty.

Our heavyweight glass mat is saturated with quality asphalt and coated with colored mineral granules to produce 11 color options. Cut with our tapered design to help alleviate debris and patterning, two layers are then laminated together to develop the appearance PABCO Prestige. Choose this architectural shingle for the standard of excellence.
